## Certificate of Appreciation

The Chicago Lions Rugby Football Club are a very proud organization with a great history and pride themselves on being the forerunner in much that is happening in rugby in the United States today. This development is mainly due to the contribution made by a number of significant individuals over the past 36 years and you have been selected as one of those people who made a difference in the 1980s.

We would like to recognize you with this Certificate of Appreciation to show our gratitude for your effort that enables many people to proudly play rugby for the Chicago Lions in the modern era. We present the Team of the 1980s.
